MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Proposed Agenda for Meeting with Robert McFarlane,
25 August 1982

1. The following items are on your agenda for this afternoon's meeting:

-- Lebanon. You will probably want to discuss the status of the PLO withdrawal as well as reactions to Bashir's election. Included are some of this morning's reports on the subjects. In addition,

[REDACTED]

Finally, you may wish to discuss the outcome of the Veliotis mission if Bob Ames has any recent information.

[REDACTED]

-- Cuba. Today's NID, [REDACTED] mentioned the expected delivery of an amphibious landing ship to Cuba. There is some concern that some will interpret this as dramatically increasing Cuba's offensive capability as per the MIG-23s.

-- SNIE on Pipeline. McFarlane or Raymond may mention desire of some NSC staffers to have a SNIE done on the pipeline. These people apparently hope that a Community product would provide an analysis that more closely supports the desired outcome of the Administration's policy on sanctions. [REDACTED]

[REDACTED]

-- Appointment. You may wish to inform McFarlane that Burkhalter will be taking over the Community Staff.

[REDACTED]

2. Please let me know if there is any other material that would be useful for your meeting.
